

VISU SLEDBASE CHAIR

FURNITURE / LIGHTING / ACCESSORIES

PRODUCT FACT SHEET

MIKA TOLVANEN ON THE DESIGN "The task was to create a personal interpretation of the ever-relevant plywood chair. I wanted my chair to have an unobtrusive and timeless nature that is familiar but never boring and without sacrificing function or ergonomics. Designing a family of chairs, visually related but for different functions, was an interactive and thorough process lasting nearly two years. In the end, I think every detail is exactly as it is supposed to be."

PROCESS

Shell is formpressed from wood veneer, then lacquered. If specified, then padded with fire-resistant foam and fully upholstered with textile. Steel sled base is CNC-bent and powder-coated (coloured versions) or in brushed steel finish. Upholstered versions with textiles from Kvadrat.

DESIGNED BY / YEAR OF DESIGN

Mika Tolvanen / 2012

TYPE

Chair

DESCRIPTION

Stackable chair for private or professional interiors available in a range of colours and upholsteries. Also available with wood base and tube base.

ENVIRONMENT

Indoor
